☐ Continuation Sheet Attached

**Brief Description of Arguments to be Presented:** Applicants wish to discuss Section 101 rejections. Specifically, Applicants propose that the claimed "computer readable medium" be changed to a "computer readable storage medium." Applicants assert that a "computer readable storage medium" is statutory subject matter because it is limited by the specification to tangible objects (e.g., RAM, ROM, flash memory, etc.).

An interview was conducted on the above-identified application on \_\_\_\_\_.

**NOTE:** This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP 713.01). This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
